Leading Excellence for Sustainable Healthcare

ORAL PRESENTATION PROGRAM

25-27 June 2026

Crowne Plaza Hotel Ankara, Türkiye

www.inmc2026.org

9th INTERNATIONAL NURSING MANAGEMENT CONFERENCE
June 25-27, 2026 Ankara / Türkiye
Leading Excellence for Sustainable Healthcare

ORAL PRESENTATION PROGRAM

June 26, 2026 Friday

11.30-12.15 CONCURRENT SESSIONS-I

ANKUVA HALL

Digital Transformation and Artificial Intelligence Systems (ENG)
Moderator: Fatoş Korkmaz

O1-109
Nurses' Artificial Intelligence Use, Systems Thinking, Innovative Behavior, and Innovation Outputs: Statistical and Machine Learning Approaches
Duygu Gül

O2-163
Mapping the Evidence on Digital Competence in Interprofessional Education Among Healthcare Students: A Scoping Review
Dewi Setya Paramitha

O3-190
Digital Stress in Nursing Students
Manar Aslan

O4-247
Nursing in the Age of Artificial Intelligence: Balancing Technological Efficiency with Human-Centered Care
Ayşe Karaman

O5-248
Bridging the Gap in AI-Integrated Healthcare: Essential Competencies for Nurses
Semra Ataş

DORA HALL

Empowering the Healthcare Workforce (ENG)
Moderator: Seher Başaran Açıl

O6-104
Nurses' Burnout Levels and Patient Safety Attitudes: A descriptive and correlational survey
Hülya Fırat Kılıç

O7-110
Enhancing Healthcare Leadership in Oman Through Culturally Grounded Capacity Building
Aziza Saleh Al Sawafi

O8-113
Teamwork, Leader-Member Exchange, Professional Isolation, and Workplace Well-Being in Nurses: A Correlational Study
Serkan Güngör

O9-119
Altruistic Experiences of Earthquake Victim Nurses in Türkiye: A Phenomenological Study
Çiğdem Torun Kılıç

O10-122
How Workplace Incivility Shapes Nurses' Productivity: Insights from a Cross-Sectional Study
Seda Tuğba Baykara Mat

TERRA-I HALL

Evidence-Based Practice and Quality Improvement (TR)
Moderator: Gülten Koç

O11-212
The Effect of Infection Prevention Strategies on Patient Participation and Hand Hygiene Behavior
Meltem Dursun Engin

O12-118
Pediatric Nurses' Perceptions and Experiences of Missed Nursing Care: A Descriptive Qualitative Study
Sinem Özmen

O13-176
Experiences of Patient Safety Education Among Nurse Educators, Charge Nurses, and Final-Year Nursing Students: A Focus Group Study
Müzelfe Bıyık

O14-227
Conscientious Leadership: The Influence of Nurses' Quiet Quitting and Compulsory Citizenship Behaviour on Quiet Firing
Edanur Vural

TERRA-II HALL

Other (TR)
Moderator: Ayşegül Yılmaz

O16-172
Sustainability in Nursing Management: Green Nursing Practices and the Role of Leadership
Nuriye Sarıakçalı

O17-134
Experience and Needs of Relatives of Intensive Care Patients
Saadet Yılmaz

O18-277
New Graduate Nurses' Experiences with Patient Care: A Qualitative Study of Their First Year of Employment
Berra Yılmaz Kuşaklı

O19-160
Examining the Relationship Between Professional Values and Professional Attitudes of Nursing Students
Nuriye Sarıakçalı

O20-242
Digital Transformation and Artificial Intelligence Systems in Nursing Education: A Review Within the Framework of the Fraud Triangle Model
Hilal Tellioğlu

13.10-13.45 POSTER SESSIONS

Moderators: Handan Alan, Gülten Koç

All posters will be displayed throughout the duration of the conference and must be mounted on the morning of the first day.

P1-100
Patient Navigation Model: Conceptual Framework, Role Definition, and Implementation Requirements
Yıldız Erdat

P2-105
Patient's Perception of Nurse-Patient Relationship as Healing Transformations Scale: Turkish Adaptation, Validity, and Reliability Study
Öznur İspir Demir

P3-111
Empowerment, Resilience, and Burnout Among Nurses With Recovered COVID-19: A Multicountry Study
Huan Fang Lee

P4-149
Nurturing Future Nurses for Excellence in Healthcare: Confronting Burnout in Employed Nursing Graduate Students
Hwey Fang Liang

P5-161
Resilience, well-being, and professional performance in new graduated nurses: A longitudinal mediation Study
Yu Hsin Hung

P6-169
Modeling videos and objective structured clinical examination (OSCE) to improve self-efficacy in prenatal nutrition counseling: A mixed-methods study
Tzu Ling Chen

P7-184
Dyadic Mobile Intervention Empowering Lifestyle Modification in Chronic Kidney Disease Management: A Feasibility Randomized Controlled Trial
Miaofen Yen

P8-205
Burnout in the medical professions. Symptoms, prevention and psychological support
Varvara Andonova Pancheva

P9-225
The strategic role of nursing leadership and management in the implementation of Evidence-Based Practice
Athina Patelarou

P10-275
Perceptions of Teamwork and Job Satisfaction Among Neonatal Intensive Care Nurses Using Different Care Delivery Models
Zeynep Dindar

P11-287
The Importance of Remote Patient Monitoring in Women During Menopause: A Nursing Management Perspective
Duygu Vefikuluçay Yılmaz

ORAL PRESENTATION PROGRAM

June 26, 2026 Friday

15.25-18.00 CONCURRENT SESSIONS-II

ANKUVA HALL

Nurturing the Future Nurses for Excellence in Healthcare (ENG)
Moderator: Miaofen Yen

O21-270
Institutional Isomorphism in AI-Supported Nursing Processes: Implications for Sustainable Healthcare Management
Elmas Ertem

O22-117
Crisis Leadership Behaviors of Nurse Managers Based on the Experiences of Nurse Managers and Staff Nurses: A Phenomenological Study
Çiğdem Torun Kılıç

O23-191
The strategic role of nurse leaders as change agents in achieving sustainable healthcare excellence
Yusuf Sari

O24-257
The Interplay Between Artificial Intelligence Literacy and Metacognitive Skills in Nursing Education: A TÜBİTAK 2209 Project Proposal
Adem Ünlü

O25-130
Reality shock in newly qualified nurses: A bibliometric analysis of studies from 2000 to 2024
Betül Sönmez

O26-171
The Role of Nursing Students in Climate Change Mitigation and Sustainable Healthcare: A Targeted Narrative Review
Buse Karataser

O27-193
Perceptions of Decent Work Among Nursing Students
Ergin Toros

O28-146
Translation and validation of the traditional Chinese Turnover Decision Scale for nurses
Mu Hsi Deborah Young

O29-279
Understanding ICU Nurses Knowledge, Attitude, and Practice related to Waste Management Practices: Palestinian Perspectives
Basma Salameh

O30-285
Strategies for Enhancing Nurse Resilience in Clinical Practice
Duygu Güngör

O31-249
Examination Of The Relationship Between Nurses' Professional Self-Concept And Perceived Organizational Support
Duygu Güngör

O75-128
Building a Healthy Oncology Nursing Workforce: Resilience and Professional Quality of Life in Oman
Asma Al Yahyaei

DORA HALL

Other (ENG)
Moderator: Leyla Dinç

O32-135
Investigation of the relationship between intensive care patients' perception of nursing care, satisfaction and trust in nurses
Hattap Işin

O33-147
The Effect of Nurses' Attitudes to Environmental on Green Organizational Behaviors
Fatma Er

O34-181
Revolution In Management Paradigms: Turquoise/Teal Organizations
Dilara Yamaner

O35-251
Investigation of the Relationship Between Moral Distress Levels and Clinical Teaching Environment in Nursing Students
Balım Naz Özfidaner

O36-253
The Relationship Between Nursing Students' Sense of Belonging to Their Nursing Department and Their Perceived Professional Competence
Dilan Erdem

O37-276
Development and Psychometric Properties of the Nurse Manager Practical Wisdom Scale (NM-PWS)
Sema Kaymak

O38-199
Enhancing Ethical Sensitivity in Medical Education Students through a Generative AI-Integrated Movie Reflection (AIFR) Teaching Strategy: A Mixed-Methods Study
Su Fen Cheng

O39-254
Artificial Intelligence in Nursing Clinical Education: Promises and Pitfalls
Nisanur Sarı

O40- 93
Cannulation Hit Rate as a Nursing-Sensitive Quality Indicator in Ultrasound-Guided Peripheral Intravenous Catheterization: A Multivariable Analysis
Shih Wei Hsieh

O41-106
The Relationship Between Psychological Empowerment and Nurse-Nurse Collaboration Among Nurses
Miray İnal

O42-114
Comparing project-based and challenge-based learning in nursing education: A mixed-methods study
Damla Gökalp

O43-207
Analysis of Sustainability Reporting in Healthcare Institutions: Strategic Role and Operational Contribution of Nurse Managers
Damla Gökalp

O116-288
How Does Nursing Faculty Awareness of Sustainable Development Goals (SDGs) Impact the Integration of SDGs into Nursing Curriculum Content? (ENG)
Gül Hatice Tarakçıoğlu Çelik

ORAL PRESENTATION PROGRAM

June 26, 2026 Friday

15.25-18.00 CONCURRENT SESSIONS-II

TERRA-I HALL

Other (TR)
Moderator: Gülten Koç

O44-178
Occupational Fall Injury in a Nurse: A Case Report
Müzelfe Bıyık

O45-198
Predictive Management of Sustainable Nursing Workforce:A Proactive and Multilevel Approach for Nurse Managers
Gözde Çetinkaya Alkaya

O46-228
Bridging the Gap Between Education and Practice: A Qualitative Study on Job Satisfaction and Professional Identity Among Specialist Nurses
Nimet Ateş

O47-108
Development and Psychometric Validation of the Multidimensional Nurses' Voice Behaviors Scale
Bahar Kuleyin

O48-259
Examining the relationship between operating room management attitudes and Job motivation of operating room nurses
Fahriye Vatan

O49-263
Examining the Relationship Between Nurses' Political Efficacy Level and Their Work Environment
Reyhan Ak

O50-268
The Impact of a Short-Term Social Responsibility Project on Nursing Students' Emotional Intelligence and Leadership: A Quasi-Experimental Study
Nimet Ateş

O51-215
The Effect of Nurses' Perceptions of Intellectual Capital on Corporate Reputation: A Cross-Sectional Study
Miray Aksu

O52-85
The Effect of Evidence-Based Organizational Culture on Evidence-Based Work Environment Among Nurses: The Mediating Role of Evidence-Based Practice Leadership
Serap Sökmen

O53-214
Patient Safety Practices Awareness Scale for Patients: Development and Psychometric Evaluation of a Scale
Meltem Dursun Engin

O54-218
Social Norms, Psychological Power, and Professional Self: Multilevel Effects of Conformity in Nursing
Miray Aksu

O55-240
The Impact of Evidence-Based Nursing Management on the Quality of Nursing Care: A Review Study
Sakine Sağir

O94-168
Nurses' Roles and Views in Earthquake Disaster Relief Efforts: A Qualitative Study
Sibel Gülen

TERRA-II HALL

Digital Transformation and Artificial Intelligence (AI) Systems (TR)
Moderator: Hülya Fırat Kılıç

O56-97
Development and Psychometric Evaluation of the Nurse Managers' Digital Leadership Scale (NM-DLS): A Methodological Study
Berra Yılmaz Kuşaklı

O57-156
AI-Guided Interview Simulation to Improve Employability and Reduce Anxiety in Final-Year Nursing and Midwifery Students: A Quasi-Experimental Study
Seda Sarıköse

O58-164
The Effect of Artificial Intelligence-Based Clinical Decision Support Systems on Nurses' Workload and Patient Care Outcomes: A Systematic Review
Saadet Cin

O59-233
An Examination of Intergenerational Differences in Nurses' Attitudes Toward Artificial Intelligence
Sibel Meler

O60-116
Evaluation of the 4/B contracted nurse employment policy in Türkiye through the Walt and Gilson health policy triangle model: a review
Necip Hanci

O61-271
Future-Oriented Leadership in Nursing Education: A Review from the Framework of Student Development Theory
Hilal Tellioğlu

O62-261
Bridging the gap between knowledge and practice: the role of AI-supported simulation in ERAS implementation
Özge Özcan

O63-202
The Effect of Green Hospital Awareness on Sustainable Environmental Behaviors Among Nurses
Selda Arı

O64-206
The Effect of ICN Disaster Nursing Core Competency Training on Nurses' Disaster Preparedness and Psychological Resilience
Satı Birbudak

O65-148
Role of Compassion Fatigue on the Relationship Between Self-Compassion and Work-Family Conflict In Nurses
Esengül Elibol

O66-180
Bureaucratic Barriers in Specialty Certification Despite Doctoral Education in Nursing: A Case Series
Satı Birbudak

O67-141
Empowering Leadership Behaviors of Nurse Managers: A Qualitative Study on the Perceptions and Experiences of Nurse Managers and Clinical Nurses
Gonca Aktay

ORAL PRESENTATION PROGRAM

June 27, 2026 Saturday

11.40-13.00 CONCURRENT SESSIONS-III

ANKUVA HALL

Empowering the Healthcare Workforce
(ENG)
Moderator: Fatoş Korkmaz

O68-182
The Impact of Perceived Supervisor Support and Empowerment on Nurses' Job Satisfaction
Esengül Elibol

O69-203
The Relationship Between Nurse Managers' Leadership Styles and Nurses' Adaptive Performance: The Mediating Role of Basic Psychological Needs Satisfaction
Selda Arı

O70-224
Evaluation of SBAR technique in nursing students based on the Kirkpatrick Model: A Quasi-Experimental Study
Emel Gür

O71-258
Empowering Leadership and Nurses' Turnover Intentions: The Mediating Role of Team Empowerment
Umut Tuncel

O72-210
The effect of a risk management program developed specifically for the ıntensive care unit on ındicators related to nurses' working hours
Fadik Çökelek

DORA HALL

Other (ENG)
Moderator: Maggie Ozan

O73-267
Recognised in Strategy, Invisible in Practice: Climate-Health Governance Gaps in a Decentralised Health System in Sulawesi, Indonesia
Rini Rachmawaty

O74-284
The Effect of High-Performance Working Systems in Hospitals on the Attitude of Operating Theatre Nurses in Medical Errors
Emine Türkmen

O15-107
Bibliometric Analysis of the Literature on Nurse Manager Training
Duygu Kavala

O76-241
Preserving the Human Touch in Digital Health: Nursing Students' Perceptions of Readiness to Deliver Compassionate Care
Sıdıka Kestel

O77-174
Beliefs About Mental Illness and Ethical Attitudes Toward Psychiatric Patients Among Nursing Students
Osman Mete Gökçe

TERRA-I HALL

Empowering the Healthcare Workforce
(TR)
Moderator: Fahriye Vatan

O78-152
The Turkish adaptation study of the Narcissistic Leadership Behaviors Scale of Nurse Managers
Nurcan Bilgin

O79-175
The Relationship Between Intuitive Judgement of Patient Deterioration and Clinical Decision-Making Among Surgical Nurses
Yasemin Güner

O80-230
Personality Traits and Leadership Self-Perceptions Among Undergraduate Nursing Students: A Cross-Sectional Study
Merve Işık

O81-151
Professional Identity Development in Nursing
Nurcan Bilgin

O82-103
The Relationship Between Clinical Practice Attitude and Perceived Stress in Nursing Students: The Mediating Effect of Nursing Attitude
Gizem Çintaş

TERRA-II HALL

Building Resilient Healthcare Systems
(TR)
Moderator: Havva Arslan Yürümezoğlu

O83-131
A way to improve empowerment in nursing: resilience strategies
Buse Tuna

O84-188
Evaluation of Nursing Students' Attitudes Towards Sustainability
Ayşe Yıldız Keskin

O85-222
Nurses' Experiences of Work Environments and Organizational Challenges in Primary Care: A Descriptive Qualitative Study
Güzin Ayan

O103-223
Effectiveness of Digital Resilience Interventions Among Healthcare Workers: A Systematic Review of Randomized Controlled Trials
Ayşe Yıldız Keskin

O87-243
The Mediating Role of Safety Climate in the Relationship Between Work Environment and Nurses' Voice Behavior
Rumeysa Boztoprak

9th INTERNATIONAL NURSING MANAGEMENT CONFERENCE
June 25-27, 2026 Ankara / Türkiye
Leading Excellence for Sustainable Healthcare

ORAL PRESENTATION PROGRAM

June 27, 2026 Saturday

15.30-17.05 CONCURRENT SESSIONS-IV

ANKUVA HALL

Frontline Innovations and Best Practices in Clinical Care (TR)
Moderator: Miray Aksu

O88-256
Exploring Nursing Students' Experiences of Clinical Management Practices and Professional Socialization: A Qualitative Study
Sevim Şen Olgay

O89-150
The Relationship of Positive Work Environment with Individual and Team Performance in Nursing
Ramazan Emiralioğlu

O90-173
The Effect of Practicing Primary Nursing Model: A Quasi-Experimental Study
Demet Yurtsever

O91-162
Nurse Migration from Turkey to Germany: A Qualitative Study
Leyla Avcıbaşı

O92-167
The Role of Artificial Intelligence in Empowering Nurses: A Contemporary Review
Ayşegül Yılmaz

O93-238
The Relationship Between Conflict Resolution Skills and Burnout Levels of Intensive Care Nurses
Merve Işık

DORA HALL

Other (TR)
Moderator: Handan Alan

O95-274
The Invisible Crisis in Nursing: The Effects of Effort–Reward Imbalance and Quiet Quitting on the Quality of Nursing Care
Dilek Sakallı

O96-286
The Effect of a Transtheoretical Model-Based Educational Intervention on HPV Knowledge, Health Beliefs, and Vaccine Behavioral Intention among First-Year Nursing Students
Müjde Kerkez

O97-195
Exploring Sustainability in Nursing Science: A Bibliometric Analysis of the Literature
Nilgün Katranci

O98-219
Adaptation of Maslow Need Satisfaction Scale in Nurses into Turkish: Validity and Reliability Study
Melek Çakır

O99-125
Nurses' views on sources of occupational stress: A phenomenological study
Şehriban Yöndem

O100-269
From Diagnosis to Treatment: A Bibliometric Analysis of Symptom Saturation and Administrative Needs in the Literature on Nursing Workforce Well-being
Nilgün Katranci

O101-260
Evidence-based leadership tools for empowering healthcare workers in clinical settings: a narrative review
Aysel Naslıca

TERRA-I HALL

Nurturing the Future Nurses for Excellence in Healthcare (TR)
Moderator: Çiğdem Torun Kılıç

O102-158
Perspectives of nursing doctoral students on the impact of doctoral education on their professional and career development: A qualitative study
Seda Sarıköse

O104-192
Influencing tactics and affecting factors used by first-line nurse managers from nurses' perspective
Günce Bilge Kaçmaz

O105-220
Analysis of artificial intelligence courses in training future nurses
Nihal Altun

O106-138
Technostress and Job Satisfaction: New Challenges Facing Healthcare Workers
Serpil Çelik Durmuş

O107-153
Nurses' Experiences with the Use of Artificial Intelligence-Supported Decision-Making Systems and Their Ethical Dimensions: A Qualitative Study
Saadet Yılmaz

O108-237
Determining the Relationship Between Organizational Silence and Ethical Leadership Among Nurses
Gülnur Akkaya

TERRA-II HALL

Empowering the Healthcare Workforce (TR)
Moderator: Emine Türkmen

O109-196
Predictive Effect of Empowerment Perception on Intention to Leave Among Nurses Transitioning from Novice to Expert
Şehriban Serbest

O110-177
The Effect of Motivation Levels of Newly Hired Nurses on Their Intention to Leave
Elif Kılıç Güner

O111-186
Development of the organizational learning scale for nurses
Özlem Kara

O112-194
Empowering Leadership in Clinical Nursing: A Qualitative Study of Nurses' Experiences
Şehriban Serbest

O113-115
The Mediating Role of Team Empowerment in the Effect of Empowering Leadership on Nurses' Intent to Leave
Umut Tuncel

O114-235
The effect of nursing students' emotion management skills on their psychological resilience
Tuğba Öznur Yılmaz

O115-225
The Effect of Nurses' Level of Cross-Cultural Awareness on Their Perceptions of Nursing Care
Gülcan Çiftçioğlu Yalçın

O86-183
Smartphone addiction among nursing students and its reflection on clinical practice
Kamuran Cerit
